MEENAKSHI MARKETING

ABOUT US

With the blessings of late Smt Dhakabai Tarachandji Jain

Since its establishment in 1990, Meenakshi Marketing has exceeded customer expectation in providing quality solution for all their Electrical Dealers and Consumers.

This has become possible with the hard work, dedication, and exceptional leadership quality of the director **Mr. Ajit Jain and his Brothers Anil Jain and Arvind Jain.**

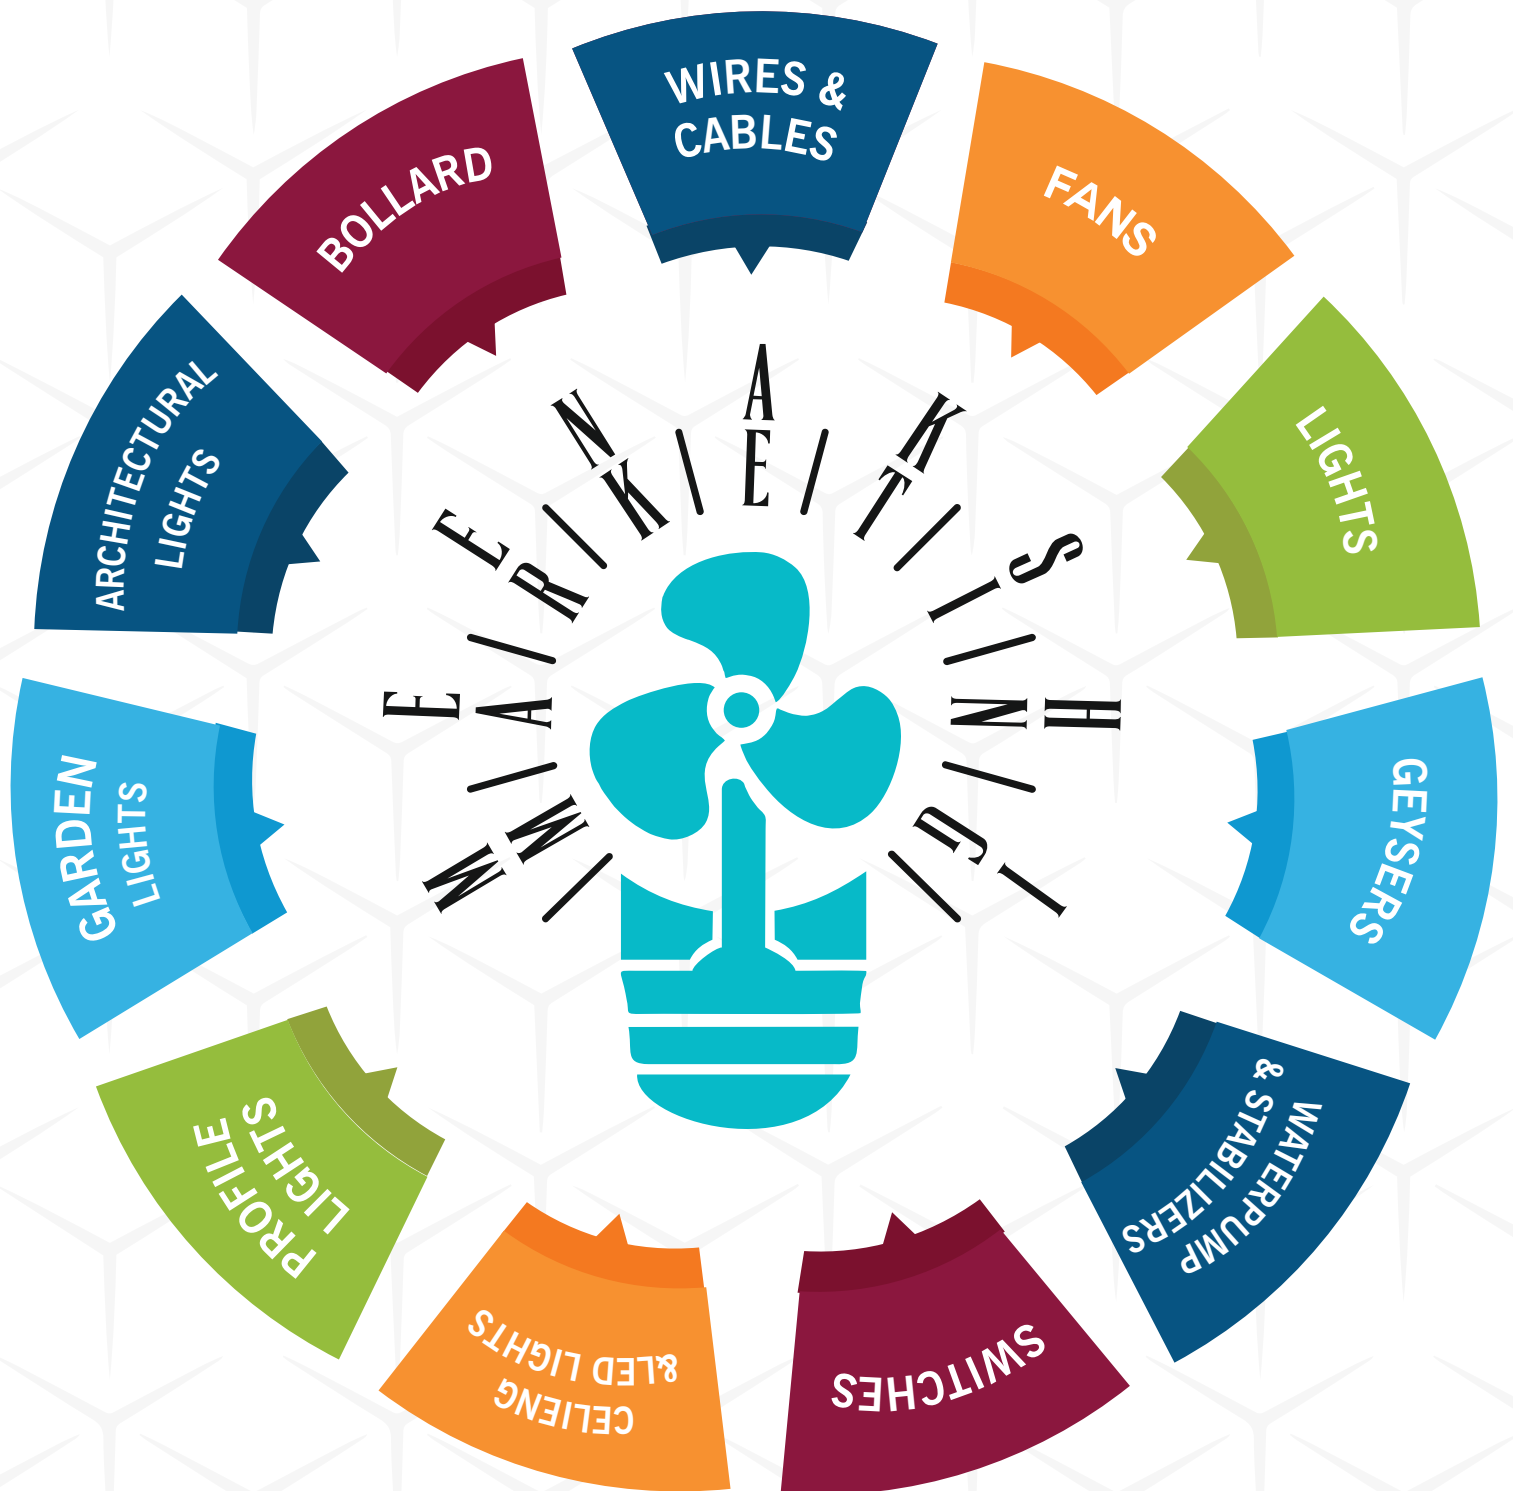

As an Electrical distributor, We offer a wide range of product such as Fans,Lights, Geysers, Stabillizers, Water Pump and Solar Panel Etc .The quality, reliability & after sales support of these products has enabled consistent growth for the company. Our commitment is to keep up with the day to day change in the industry, so as to provide continued value to our customers.

In the year 2010 **Mr. Alpesh Jain** son of **Ajit Jain** joined the business, MM lights Division was initiated with the dream of '**Lighting Every City Every Home**'.

The Led technology has opened up a new frontier and is potentially acknowledged as the future of lighting technology. At MM lites, we not only understand the significance of this fact, but also ensure that the LED manufactured are energy efficient with extremely lower maintenance cost and comes with a remarkable life span.
